Headteacher - Mr. Geraint Evans

Friday the 13th and the time of writing this newsletter it's been a good day! The summer holidays are fast approaching and there will be a lot of information shared from classes and year groups in the next few weeks. Thank you to all the parents that have signed up to My Happy Mind. We hopefully want this to be funded for us again next year. The more we can show a positive impact the better our chances are. Fingers crossed the rain does not arrive this weekend and summer arrives.

## HOUSE POINTS PWYNTIAU TY

This week's scores are up and ready to share. The points are much closer than they were in the first term. We also have a new leader!

## Classes for next year.

The children will all receive their school reports in the next couple of weeks. One of the questions they ask is “whose class am I in next year?”

We’re happy to say that staff have shared this information with the children today and we’ve attached the moving up list here for parents to see. Their moving up days will be at the beginning of July.

The arrows point the children to their next class. If you have any questions please come and speak to us. We’re happy to help. Diolch yn fawr pawb.

Our Year 5/6 girls' football team took part in the Rhyl and Prestatyn sports association tournament today and they made it all the way to the Champions League final aaaaand... **WON!**

Their behaviour, attitude and performance were excellent and they've made us proud. DA IAWN CHI GENOD!! 🏆⚽

### Music / Instrument Lessons

Denbighshire offer a large variety of music lessons to the children. Once they are in Year 3 they can start to learn an instrument of their choice. There was a special assembly yesterday where the violin/guitar teacher sat in front of all the KS2 children and presented all the children that have lessons with him. The children then played a piece of music to their peers and had head bopping. What a fantastic experience for everyone.

**Keep your eyes peeled for information if you'd like to sign up your child for instrument lessons next year.**

### MY HAPPY MIND

A gentle reminder that we use this fantastic tool in school!

### We're NHS backed!

We're very proudly commissioned by the NHS. This means that the NHS pays for 100% of our programme in some schools — all because myHappyMind has such a big impact on the children and staff and reduces CAMHS referrals significantly.

**Giving today's children the skills to thrive in tomorrow's world**
